Indexering deroche di placa di pagador di impuesto

Un ambtenaar tin tur privilegio na su favor na momento cu e drenta loke nos ta yama, "Vast-eDienst". Eta gosa di un salario, cu periodicamente ta subi automaticamente, si e traha tur dia of no, e ambtenaar por keda cas un aña, malo y cobra e volle pond di su salario, dia cu e kier eno ta bai traha y no ta kita e dia ey for di su salario, Eta traha ora cu e kier y si eta na trabao mes, mayoria di nan ta traha na nan antoho. Pa colmo tin hopi ambtenaar cu tin nan propio negoshi y ta haci uso di oranan di trabao pa haci nan cosnan priva pa nan negoshi, durante ora di gobierno, nan ta usa telefon, auto di dienst pa cosnan priva. Nan por acumula dianan di vacacion y pase pa otro aña y asina nos por sigui menciona, e deroche di e placa di impuesto di pueblo. Corda cu ainda nos no a papia di "bashi premie" y otronan. Partidonan politico, durante e ultimo 40 añanan a acepta tur cos, con tal nan haya voto y esaki ta e cuenta presenta awe na nos pueblo, un aparato gubernamental cu pa 85 por ciento no ta funciona optimalmente y un dineral cu ta costa pueblo su placa pa mantene un gran parti di e hendenan aki cu nos ta yama ambtenaar y cu no ta produci optimalmente, segun rapportnan, cu a keda presenta durante añanan. Ningun politico tin cu curashi pa drecha e situacion aki cu a bira un cancer y cu politiconan a contribui na e situacion aki door di benta hendenan no apto pa traha den gobierno, pero cu ta gana hala di placa cu nan no merece. Ojala, bin un politico un dia cu weso di lomba pa para tur e atosidadnan aki cu ta costa pueblo, miyones pa aña. Aruba Q-Vadis???

Coming soon

Na total Gobierno a bai di acuerdo cu sindicatonan cu ta representa trahadornan di pueblo, (Gobierno), na unda lo bai saca placa di pueblo atrobe pa cumpli cu compromisonan di decada y cu ta costa e pagadornan di impuesto mas placa atrobe, mientras esnan cu ta traha duro tur dia y duna servicio den empresanan priva, no por gosa di e invencionnan aki cu por ser considera deroche di placa di nos pueblo. Lo bai paga indexering, inhaalmanoever. Tur esaki masha bunita describi; 85 florin cu ta den e salario pa indexering, lo compensa pafor di salario cu 150 florin den e najaarpremie y 150 florin den e voorjaarpremie cu lo bai haci, cu na final di cuenta nos pagadornan di impuesto lo regala esnan cu ta yama ambtenaar, un total di 1500 florin. E asunto aki ta un berguens nacional, segun opinion publico, ora nos mira hendenan cu ta labora duro den empresanan priva, aña aden y aña afor cu e mesun salario, no por keda cas malo y ta solamente tin dos siman di vacacion.

5.2 miyon adicional pa paga back pay di coordinadornan

Awe diahuebs Parlamento ta cuminsa trata e presupuesto supletorio. MEP a protesta contra e forma relampago cu Presidente di Parlamento kier bulldoze e ley aki. Gobierno a contesta apenas mitar di e preguntanan hasi pa e fraccion geel, pero asina mes nan kier pusha e ley aki den Parlamento. Un presupuesto supletorio ta wordo entrega ora tin un calamidad, pero den e caso aki no tin ningun calamidad cu e gobierno aki kier tene cuenta cune. Gobierno kier 5.2 miyon adicional pa paga e back pay di su coordinadornan, y pesey mester di e presupuesto. Den e presupuesto bo por mira tambe cu gobierno ta kita placa for

di e departamentonan mas vulnerable, manera Polis y Brandweer.

CRIMINALIDAD

En bes cu gobierno tambe hasi algo pa combati criminalidad, gobierno ta kitando 370.000 florin for di Polis. Mescos a kita 200 mil florin di Brandweer. Anto pakiko? Pa paga back pay di coordinador. Y kiko ta e tarea di coordinadornan? No ta conosi. Unico cos cu ta conosi ta cu hopi coordinador ta yama radio henter dia, of insulta contrincantenan riba facebook. Tambe sinta den sala di parlamento tur dia pa batii man pa e ministernan di AVP. Cu e aumento aki di 5,2 miyon florin, e total di gasto di co-

ordinadornan ta yega te na 35 miyon pa e anja 2012. Un situacion totalmente inaceptable. Prome Minister Mike Eman su so ta gasta 12.5 miyon florin na coordinador. Ta conosi cu e tin un batayon di Hulandes riba su payroll, pa asina e por lobby na Hulanda. Despues ta sigi benny Sievinger cu 4.7 miyon florin y Mike de Meza cu 4.1 miyon florin. Esaki ta demostra si cu e Minister-

Ichiro Suzuki, Yankees finalize deal

The New York Yankees and Ichiro Suzuki put the final touches on a deal that will keep the 39-year-old outfielder in pinstripes for the next two seasons.

The contract is reportedly worth \$12 million for two years, and sources told ESPNNewYork.com last week that Ichiro turned down more money from at least two other clubs to remain with the Yankees. With the loss of Nick Swisher to free

agency, Suzuki is expected to be the team's starting right fielder in 2013.

"The Yankees are the kind of team that I always envisioned being a part of," Suzuki said in a statement released by the club.

"Everyone in the world of competition has a strong desire to win, but the Yankees also have an atmosphere where losing is not an option. These two

observations may sound similar, but I believe it is a rarity to find both coexisting in the same organization."

Suzuki was acquired by the Yankees from Seattle on July 23 in a trade for minor-league pitchers D.J. Mitchell and Danny Farquhar. A career .322 hitter with 2,606 hits in 12 major-league seasons, Suzuki went 73 for 227 (.322) in 67 games as a Yankee and stole 14 bases.

Suzuki's speed and ability to get on base added a dimension to the Yankees' offense that had been missing after regular left fielder Brett Gardner was lost to an elbow injury just nine games into the 2012 season. And his work ethic, quirky personality and unique style of dress made him a popular figure in their clubhouse.

Despite his age, the Yankees are counting on Ichiro

to play every day.

"I believe the Yankees organization appreciates that there is a difference between a 39 year old who has played relying only on talent, and a 39 year old who has prepared, practiced, and thought thoroughly through many experiences for their craft," he said in the statement. "I am very thankful, and I will do my best to deliver on their expectations."

Red Sox introduce Ryan Dempster

BOSTON -- The Boston Red Sox on Wednesday introduced right-hander Ryan Dempster, who said he chose to sign with the team because he believes it has "as much chance to win as anyone else."

The Red Sox went 69-93 last season, their worst record in more than four decades.

The 35-year-old Dempster, who got a two-year, \$26.5 million deal from the Red Sox, certainly represents an upgrade over the types of pitchers the team signed a year ago to supplement its staff, injury risks such as Aaron Cook and Vicente Padilla. He has pitched 200 or more innings in four of the past five seasons, and in 2012, when he fell short of that figure, he was in considerable demand before Texas nabbed him at the trade deadline, ranking second

in the National League with a 2.25 ERA in 16 starts for a struggling Cubs team.

The Cubs, Brewers and Royals all took runs at Dempster this offseason before he signed with the Red Sox, who showed as much interest in him as anyone, the veteran said Wednesday. He turned down their first offer of two years and \$25 million, but when it became apparent he was not going to get a three-year deal anywhere, he took Boston's upgraded offer.

Given his track record, the 15-year veteran with a .500 lifetime record (124-124) and a 4.33 career ERA figures to slot third in the Red Sox' rotation behind Jon Lester and Clay Buchholz and ahead of John Lackey and Felix Doubront.

"I've said it before and I'll say it again," Red Sox general manager Ben

Cherington said Wednesday. "We're excited to have Ryan Dempster, but we believe the performance of the guys who are already here is going to have a bigger effect on the overall rotation than any one player we add. But I think he is a really good fit for a lot of reasons."

Dempster, who began his career with the Florida Marlins in 1998, will be starting a season with an American League team for the first time. He struggled initially after his trade to Texas, giving up eight earned runs in two of his first three starts but then went 5-0 with a 1.91 ERA in his next five, striking out 36 batters in 33 innings. He wound up with 70 strikeouts in 69 innings for the Rangers, and his 9.1 strikeouts per nine innings with Texas was the highest ratio of his career.

But Dempster and the Rangers faltered down the stretch, and with the AL West title on the line the last day of the season in Oakland, he couldn't hold onto a 5-1 lead and was knocked out in the fourth inning of an eventual 12-5 A's win. In a dozen starts with Texas, Dempster had a 7-3 record and a 5.09 ERA, though he struck out 70 batters in 69 innings.

The Rangers, choosing to focus on free agent Zack Greinke, did not take a run at Dempster. Because he was traded at midseason, the Rangers were not eligible for draft-pick compensation for Dempster if they made a qualifying offer to him.

Asked to characterize his performance last season, Dempster said Wednesday: "I don't know. Aside from a few starts, I try to define myself as a consis-

tent person, a consistent pitcher. The first half went extremely well, and after a few starts (in Texas), I started to get on a roll."

Dempster pitched at Fenway Park for the first time in 11 years on Aug. 7, and was credited with the win in a 6-3 victory over Lester, one in which the right-hander gave up three unearned runs on six hits in 6 2/3 innings. He also threw seven scoreless innings against the Red Sox at Wrigley Field while still with the Cubs in a 3-0 win over Daisuke Matsuzaka on June 15.

A native of Sechelt, British Columbia, Dempster said he has yet "to figure out" whether he would pitch for Canada in the World Baseball Classic in March.

"My No. 1 goal is to be ready to pitch for the Boston Red Sox," he said.

Kevin Durant scores season-high 41 in Thunder's 12th straight win

ATLANTA -- Oklahoma City's biggest stars displayed a unique version of balanced scoring against Atlanta: Russell Westbrook led the Thunder in the first half and Kevin Durant dominated the Hawks over the final two quarters.

Durant set a season high with 41 points, and Oklahoma City held off Atlanta 100-92 on Wednesday night for its 12th straight win.

Westbrook had 27 points -- 21 in the first half -- and 11 assists. Durant scored 28 points in the second half, including 18 in the fourth, and also had 13 rebounds.

No other Oklahoma City player scored in double figures.

"There's going to be nights where one has the hot hand and there's going to be other nights the other does," Thunder coach Scott Brooks said.

Both top scorers were

hot against the Hawks. Durant made 6-of-9 shots in the final period, including three 3-pointers, and the Hawks couldn't find a way to slow the 6-foot-9 forward.

"We double-teamed him, we zoned him," Hawks coach Larry Drew said. "He still made shots. You can't stop him when he's hot like that."

Durant said Westbrook's strong first half helped open more opportunities for him after the break.

"He was aggressive and they were giving him jump shots," Durant said. "We just played off of that. He was very good and it opened up for me in the second half."

Durant acknowledged he launched some "questionable" shots. "But my teammates wanted me to do it," he said.

Jeff Teague led Atlanta with 19 points, Josh Smith had 17 points and 12 re-

bounds, and Al Horford and Lou Williams scored 13 apiece.

Durant was especially strong after Atlanta cut a 16-point deficit midway through the third quarter to 73-69.

Durant slowed Atlanta's comeback attempt when he dominated a sequence on both ends of the floor, blocking a shot by Smith before throwing down a jam. Smith drew a foul and Durant sank the free throw to push the lead to 85-75.

With about 3 minutes remaining, Durant hit a fallaway jumper. Less than a minute late, he made a spin move and then sank a 3-pointer over the 6-foot-7 Kyle Korver, who was left shaking his head.

"He's just one of those players," Korver said. "People don't understand how tall he is and how long his arms are."

The fallaway jumper and spinning 3-pointer would

have been unlikely attempts for most players.

"That's him, though," Horford said. "He can do it. He's that good of a player, unfortunately for us."

Oklahoma City (21-4) improved the NBA's best record and atoned for a 104-95 home loss to the Hawks on Nov. 4. That loss left Oklahoma City 1-2; it is 20-2 since then and hasn't lost since Nov. 23 at Boston.

The 12 straight wins match the longest streak for the franchise since 1996, when it had a 14-game winning streak as the Seattle SuperSonics.

The Hawks took their last lead at 19-17 on a follow shot by Anthony Morrow. The Thunder then went ahead with a 10-1 run that overlapped the end of the first period and the start of the second. Martin opened and closed the run with jumpers.

Oklahoma City stretched

the lead to 17 on four straight free throws by Durant following fouls by Morrow late in the half.

"You can't have a second quarter like we did," Horford said. "We had a lapse and they took a big lead. You can't do that against a team like them."

The Thunder led 68-52 midway through the third quarter, but a technical foul against Smith with 3:12 remaining in the period seemed to spark the Hawks.

Smith sank a 3-pointer as part of Atlanta's 8-0 run to close the period. Anthony Tolliverscored the first three points of the fourth quarter on a free throw and jam to cut the Thunder's lead to 73-69.

Westbrook ended Atlanta's 11-0 run with a jam following an offensive rebound by Nick Collison.

Serge Ibaka had 4 points and 14 rebounds for the Thunder.
